Income Limit of $39,250*
Tax Freeze helps seniors by freezing the tax amount on their primary residence for future years.
You may qualify if:
- You are 65 or older, AND
- Own and live in a home in Shelby County that is your primary residence (mobile homes included), AND
- The combined 2018 income for you, your spouse* and all other owners is $39,250 or less

How does Tax Freeze work?
If you are a new applicant this year, the Tax Freeze Program freezes the 2020 tax amount on residential property taxes based on the tax amount from 2019.
If you have previously been approved for Tax Freeze, you must reapply every year to keep your taxes at the frozen amount.
